Announces the 2012 Tax Certificate Sale (2011 Delinquent Real Estate Taxes)

► **THIS SALE IS ONLINE AND OPEN TO THE PUBLIC** ◀

NOTICE OF TAX CERTIFICATE SALE

Notice is hereby given that the annual real estate tax certificate sale will commence at 9:00 a.m. on Thursday, May 31, 2012. The tax certificate sale will be conducted via the internet (www.BidIndianRiver.com). The tax certificate sale will be completed in one day on May 31, 2012. Tax Certificates will be sold on the following described land to pay the delinquent taxes due, interest, costs of the sale and advertising. The delinquent taxes include ad valorem taxes (County, School, and City) and non-ad valorem assessments.

Property owners' names in this insert reflect the names on the Certified Tax Roll received from the Property Appraiser in October 2011.

To learn the process of an online tax certificate sale or if you plan to bid on tax certificates, please read the "2012 Tax Certificate Sale" (see page 2). **Please be aware that this is not a sale of land, but a sale of an interest-bearing certificate (lien).**

In order to avoid a tax certificate being sold against unpaid taxes on your property, payment must be **received** by mail, internet (www.IRCTax.com) or hand delivered to one of our three offices no later than 5:00 p.m. on Wednesday, May 30, 2012.

2012 TAX CERTIFICATE SALE

Indian River County conducts its annual Tax Certificate Sale via the internet. With an online sale, each registered bidder has an opportunity to place bids electronically. Online bidding is designed to improve the efficiency of the tax certificate sale and the associated revenue collection, while increasing accessibility for additional bidders.

Participation in the online sale requires bidders to have access to the internet. For those bidders without a computer, the Tax Collector's office can provide internet access. You must register as a bidder, provide a deposit and begin the process of entering your bids by visiting **www.BidIndianRiver.com**

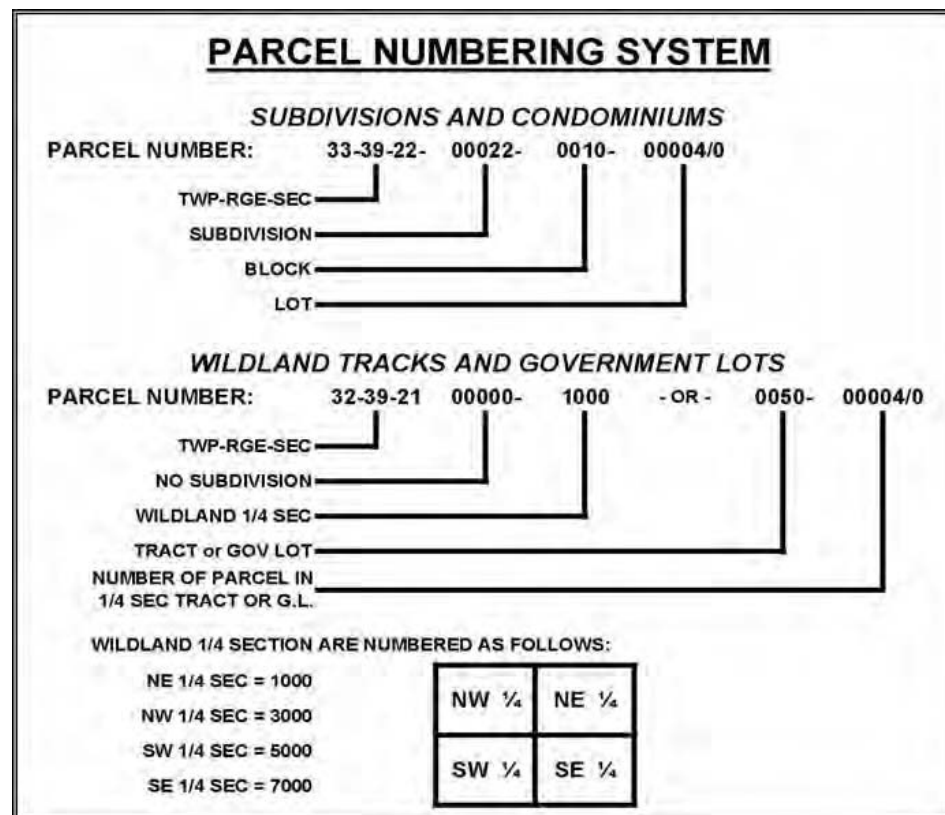

Just like a "live sale", the certificates are sold individually and in the order they are advertised. Bidders will enter their lowest acceptable bid for a certificate. Valid bids may be entered between 0% and 18% in 0.25% increments. Certificates with a 0% bid interest rate do not accrue any interest, nor does the 5% minimum mandatory interest apply. Any certificates that do not receive bids are "struck off" to the County at 18%.

In order to make the bidding process more manageable, the certificates are divided into groups called "batches". Each batch closes in one hour intervals beginning at 9:00 a.m. on May 31, 2012, until all certificates are either sold or "struck off" to the County. When a batch closes, each certificate is awarded to the participant with the lowest interest rate bid. In the case of a tie, the winner will be selected at random by the auction software. The process used to select the random winner has been certified by an independent third party. Results are posted within five minutes of a batch closing. The advantage of the batch format is that a bidder is able to view the auction results each hour and quickly determine if their bids in future batches need adjusting.

We encourage you to visit our auction website at **www.BidIndianRiver.com** to get further details regarding the Tax Certificate Sale and gain information regarding each parcel. Please feel free to call the Tax Collector's office at (772) 226-1343 if we may be of any assistance to you.

THIS IS NOT A LAND SALE, YOU ARE PURCHASING AN INTEREST- BEARING CERTIFICATE
